

## **RESOLUTION OF THE TOWNSHIP OF WINSTED**

To State its Resolution # 05-02 entitled  
“Business Subsidy Policy and Criteria”

passed on May 26, 2005

**RESOLVED** by the Board of the Township of Winsted that it shall adopt the following Business Subsidy Policy and Criteria:

**Preamble.** Whenever the Township of Winsted invests public funds or agrees to voluntarily forfeit tax or other revenue that benefit private development projects, those projects should create the greatest number of living wage jobs possible for residents of the Township of Winsted and the surrounding region. The Township of Winsted policy makers and economic development agents must keep the critical need for living wage jobs at the priority whenever public dollars are invested in a private business or development project.

**Business Subsidy Public Purpose.** The public purposes of this policy shall be to accomplish the following on behalf of the Township of Winsted:

- Enhance economic growth in this area
- Create high quality job growth in this area
- 3. Retain high quality jobs in this area
- 4. Stabilize the community

This policy is adopted in compliance with MS § 116J.994, Subd. 2. A copy of the policy shall be submitted to the Department of Employment and Economic Development along with the first annual Business Subsidy report.

**Business Subsidy Implementation.** The Township of Winsted will focus its business subsidy assistance to businesses which demonstrate a clear and ongoing commitment to the community by providing living wage jobs to their employees and to Township of Winsted residents, where applicable, by giving priority to those businesses over businesses that have not traditionally paid living wages.

The Township of Winsted will focus its business subsidy assistance only to businesses which agree to comply with annual business subsidy reporting requirements as required by Job Opportunity Building Zone (JOBZ) statute M.S. §§ 469.310 – 469.320; and/or as required by the Business Subsidy statute M.S. §§ 116J.993 – 116J.995.

All other things being equal and to the extent legally possible, the Township of Winsted will give preferential treatment for business subsidies to businesses that engage in responsible labor relations defined as neutrality on union organizing.

Although the primary purpose of this policy is the creation of living wage jobs, we cannot achieve our economic development goals without a trained and ready workforce and adequate child care. The township will commit to assist businesses to obtain trained and work-ready employees through the DEED Workforce Development Centers; MnSCU and other services; and to facilitate access to child care.
